The Karen Schadel Memorial Scholarship Fund, in honor and memory of the long-time KASBO Exec Director who passed away in 2012, assists Kansas Business Officials to attend the ASBO International Annual Convention. The Kansas contingent at this national conference is traditionally smaller than other states mostly due to lack of their district support for national conferences and national professional development. Individuals are left to fund their own way to this conference.

Along with the support from vendor participation and corporate sponsors, the KASBO Golf Tournament serves as the only funding means for this important scholarship. The number and size of scholarships are determined by an application process and at the direction of the Board of Directors. Your attendance and sponsorship will certainly increase your exposure and more importantly, KASBO at the national organization level.
