Applicants must meet the following requirements for consideration:

- Must be a dependent of an active member of KASBO (member registered at the time of app submission)
- Must be graduating in May of the application year
- Show character, citizenship, and dependability traits that would indicate success in an institution of higher learning
- Acceptance into an institution of higher education; start date within four months of high school graduation

Awarding of scholarship:

The selection process is based on evaluating material received from all applicants.

- Based on leadership, citizenship, academics, and extra-curricular participation, a recommendation will be made. (regardless of age, sex, religion, color, race, national origin, or disability)
- The check will be made payable to the recipient and learning institution upon confirmation of enrollment from admitting institution.
- The award is a one-time award for \$1,000. The prize does not renew annually.
- In the event, the recipient of the scholarship is not enrolled in an institution of higher learning by October 15 of the awarded year, the award will be held over for the following year's scholarship selection process, with one (1) additional scholarship award.

We wish all candidates success in their future endeavors!!!!

All information submitted will be retained by KASBO and remain confidential by the selection committee.
