# Quarterly Reporting

## Overview

- A list of Form 240 drawdowns will be sent out via the ESSER Listserv
  - Please find your school district to see the total amounts across all ESSER funding streams, and be sure that those amounts are reflective on your quarterly spreadsheet. You should not report under the amount shown for each funding stream.
    - We will be using the same document to check total expenditures across each ESSER funding stream. **This quarterly report is cumulative.**
    - This quarterly report will open on the 1<sup>st</sup> business day of the month and will be open for 3 weeks.
    - You are still required to submit your spreadsheet in CommonApp if you don't have expenditures during this past quarter.
    - This quarterly report is submitted on CommonApp.

# Annual Reporting

## Overview

- A link will be sent out via the ESSER listserv to access the Annual Report on Qualtrics.
  - For the purpose of this report, we are looking for the drawn downs during the timeframe.
    - This includes expended and reimbursed funds during the timeframe stated.
  - The preview questions asked in the last annual report will be mandatory in the future.

## Helpful ESSER Reminders
