

The Karen Schadel Memorial Scholarship Fund, in honor and memory of the long-time KASBO Exec Director who passed away in 2012, assists Kansas Business Officials in attending the ASBO International Annual Convention. The Kansas contingent at this national conference is traditionally smaller than other states, due mainly to the inability of their district to financially support national conferences and national professional development. Individuals are left to fund their own way to this conference.

Through participation in the tournament and support from corporate sponsors like you, the KASBO Golf Tournament serves as the only funding means for this important scholarship. The number and size of scholarships are determined by an application process and at the direction of the Board of Directors. Your attendance and sponsorship will certainly increase your exposure and more importantly, KASBO at the national affiliate level.
